SMALL TOWN HAS COMPLAINT

Logan Protests Against Sidetrack at Hoagland.

FEARS IT WILL BE INJURED

People of Leigh Ask that Northwestern Be Compelled to Build Adequate Depot in that City.

(From a Staff Correspondent.)

LINCOLN, May 13.—(Special.)—Harry O'Neill appeared before the railway commission this morning to protest against a ruling of the commission compelling the Union Pacific Railway company to put in a siding at Hoagland, Logan county.

Mr. O'Neill represents the Loup Valley Townships committee, and complains that if the siding is put in at Hoagland it will damage the town of Logan which has been promised a new depot. Hoagland is only four miles from Logan, and it is feared by the citizens of the latter town that a siding so close to their village will hurt the growth and business of the town.

Complaint from Leigh.

A petition and complaint combined was received by the commission from the business men of Leigh, asking that the Northwestern railway be compelled to build a new depot in that town.

The complaint sets out that the present depot is a building erected in 1886 and is but 25x55 feet in size and has, besides the usual business room, living rooms, freight and express rooms and a waiting room. It is set out that over 100 people come to the depot on an average each day, and some of them sit around the waiting room and smoke to the discomfort of women and children who do not smoke.

The platform is very narrow and will not accommodate passengers because of the narrow space left after freight and express has been deposited on it, and the people of Leigh believe that on account of the large volume of business the road is getting from the town and surrounding country they are entitled to a new and better depot.

Street Railway Appeals.

The Omaha & Council Bluffs Street Railway company has appealed to the supreme court from a judgment secured against it by Joseph H. Travis in the district court of Douglas county in the sum of \$250. Travis was injured March 13, 1912, near the intersection of Seventeenth and Cass streets in the city of Omaha. The car failed to stop when Travis signaled the conductor, but did stop, so Travis claims, about 100 feet after it had passed the intersection, and in alighting from the car, it started, throwing him to the pavement. He sued for \$10,000.

NEWS OF WEST POINT AND OF CUMING COUNTY

WEST POINT, Neb., May 13.—(Special.)—The first year's medical inspection of the pupils of the West Point public schools show that of the total number, 347, examined, 299 were found defective. The number with one defect was 86 with two, 82; with three, 34; with four, 18. Of these, 97 were defective in vision, 99 in the tonsils, 24 in the hearing, 66 in the teeth and 73 in nasal breathing. Twenty-eight pupils were found to be affected with adenoids, 8 with enlarged glands and 8 with anemia.

The string of race horses of the Schin-stock Bros. at West Point, now in their racing stables, are being enthusiastically groomed for the 1913 circuit races and great things are expected of them. The string includes the following notable animals: Glen Onward (2:17 1/2), Lord Duke (2:24 1/2), Patsey Allerton (2:24 1/2), Baron Sterling (2:24 1/2), and the noted pacer, Billy Berkeley (2:04 1/2).

The friends and patrons of base ball at West Point have organized an association and elected William Stieren, Jr., president; Cassimir Zacek, vice president; and A. J. Kraus, treasurer. The game will be confined this year to home plays. The graduating class of the West Point High school will consist this year of thirteen members, of whom eight are girls. The class will comprise Ralph Thiessen, William Fegley, Joseph Jer-man, Lee Wells, Henry Pastrowsky, Viola Smith, Mae Thompson, Clara Martin, Minnie Thompson, Beatta Drahos, Luella Herman, Emma Roehl and Amy Brauda.

Grand Island Road Argues to the Board Assessment is High

(From a Staff Correspondent.)

LINCOLN, May 13.—(Special.)—The State Board of Assessment was in session a short time this morning, taking up the hearing of the St. Joseph and Grand Island railroad for a reduction in its assessment.

W. N. Purvis, tax commissioner for the road, talked to the board and offered arguments why the assessment should be cut down from the 1912 amount. The report shows that the earnings per mile last year show a deficit of \$607, while in the year before the deficit was \$190.

Mr. Purvis told the board that their depots were all old, having been erected from fifteen to twenty years ago and that in a short time the road would have to rebuild the structures.

Following the lines brought out by other roads yesterday Mr. Purvis said that other property in the state was not assessed as high as railroad property.

According to census bureau figures published in 1911 the value of lands and buildings in the state the year previous was \$1,513,246,985.10. The state auditor's report shows assessed value of lands and improvements at \$304,644,654, which, multiplied by five for full value, gives \$1,523,223,270, so that this class of property was only assessed and taxed on 65 1/2 per cent of total value.

The statement of the State Banking board showed on deposit \$208,255,047.70. The assessed value of money on hand and on deposit was \$5,513,207, which gives \$208,000,535 full value, so that this class was assessed at 14 per cent of value.

It is the contention of the roads that they are assessed far and above the value of any other property and especially the farming property of the state.

Omaha Elks Meet Governor Morehead

(From a Staff Correspondent.)

LINCOLN, May 13.—(Special.)—The first annual convention of the Elks of the state was held in Lincoln today. This morning, escorted by Henry C. Richmond, a delegation of about two dozen Omaha members of the organization were taken to the office of Governor Morehead and introduced to the executive.

Among the members were: Dan Butler, City Attorney Rine, J. S. McNally, I. W. Miner, Colonel McShane, George Shields, J. F. Diets, S. W. Smith and R. W. Patrick.

MAN, WIFE AND DAUGHTER BADLY HURT IN RUNAWAY

BROKEN BOW, May 13.—The second serious accident, caused by a runaway, has occurred here within the week. While Will Frey, a prominent stockman of this place, was bringing his wife and daughter in from his ranch, a few miles east of here, the skidless pair of coils, ran away and overturned the buggy, throwing the occupants violently to the ground. Bertha, the daughter, sustained a broken arm, while Mrs. Frey was injured and bruised about the body. Mrs. Lawrence, who was also in the wagon, had a rib broken. Mr. Frey escaped with a few slight scratches.

Mr. D. L. Herrick, who was badly injured in last week's runaway, still lies unconscious at the Ryerson hospital. An operation was performed upon her this week, but little hope is entertained of her recovery.

SECRETARY OF STATE YIELDS TO NEW BOND

(From a Staff Correspondent.)

LINCOLN, May 13.—(Special.)—The State Board of Control is happy, or at least the members of that board ought to be, for this morning State Secretary Walt took pity on their homeless condition and gave up the west room of his office and will allow them to use the small vault in his department. The two clerks formerly occupying the room will move into the small room now occupied by the secretary of the printing board and the latter will move into the small south room of the executive offices. The game warden, who has been holding forth in the room to be given the board of control, will move back to the former location in the office of the chief clerk of the house.

KANSAS MAN SOUGHT FOR WIFE DESERTION

(From a Staff Correspondent.)

LINCOLN, May 13.—(Special.)—Application was made to Governor Morehead today for requisition papers for the return to Wyandotte county, Kansas, of Louis Kranicka, wanted in that state for abandonment and desertion of his wife and three sons, 8, 10 and 15 years of age. Kranicka is being held in South Omaha and the sheriff of the Kansas county will take him back after a hearing is had some time this afternoon, providing the governor grants the request.

OSCEOLA ORGANIZES A COMMERCIAL CLUB

OSCEOLA, Neb., May 13.—(Special Telegram.)—Osceola business men met last night for the purpose of perfecting a commercial club. A large number were present and the determination expressed that the city should possess a commercial club that is in keeping with the city's demands. A committee on permanent organization was appointed consisting of W. O. Johnson, E. A. Walrath, Walter Monson, E. L. King and H. C. Beebe.

Patrons' Day at Harvard.

HARVARD, Neb., May 13.—(Special.)—Friday was parent and patrons' day in the public schools, but owing to excessive rains the attendance was limited and the exhibits held over till Monday afternoon, when a large number availed themselves of the opportunity to examine the work of the students in the various departments of school work. The teaching force for the coming year will be materially changed, mostly from a desire of present teachers for various reasons, but Prof. McBrien will remain at the head as superintendent.

Beatrice May Not Be Able to Entertain Eagles' Convention

(From a Staff Correspondent.)

BEATRICE, Neb., May 13.—(Special.)—The local committee having in charge the state convention of the Fraternal Order of Eagles to be held here June 10, 11 and 12, will call the meeting off unless they get some assurance that the delegates will be able to secure hotel accommodations. An effort is being made to have the Paddock hotel keep open until after the meeting.

W. A. Sellick, former president of the Lincoln Commercial club, yesterday sent word to this city that he would be present at the booster banquet to be held in this city next Thursday night.

Prof. J. M. Showalter, who has been connected with the Beatrice High school for the last two years, has been elected principal of the high school at Norfolk, and will leave soon for that place where he will make his home.

Fred Ward of this city, and Miss Nava Cunningham of York, were married at that place Sunday. They have arrived in this city to make their home.

Arthur Gutzmer, aged 21 years, of Western, died Sunday in a local hospital. The body was taken to Western yesterday, for interment.

Two freight cars on the Rock Island went into the ditch near Virginia yesterday, blocking traffic most of the day. A soft track occasioned by the recent heavy rains is said to have caused the accident.

C. E. Mooses of Blue Springs, and Miss Mabel Fredericks were united in marriage here by Judge H. A. La Salle. They will make their home on a farm near Blue Springs.

LIEUTENANT TEST BACK FROM TOUR OF INSPECTION

(From a Staff Correspondent.)

Adolph Tietch, a prominent farmer, and stock raiser living just north of the city lost 150 head of hogs and spring pigs.

There have been no trains in or out of city today and may not be for several days.

BOY HAS HAND TORN OFF BY DYNAMITE CAP

SIoux FALLS, S. D., May 13.—(Special.)—Mrs. Peter Christianson, living on a farm in Turner county, while playing, found a dynamite cap and in the endeavor to discover what it contained pounded it sufficiently to explode it. A part of one of his hands was blown off. His father was at work in a distant field and was some time before medical aid could be secured.

THREE KILLED BY FALL OF CHURCH SPIRE ABLAZE

STRATFORD, Ont., May 13.—The tall spire of the Knox Presbyterian church, 100 feet above the curb, was struck by lightning early today, and in the ensuing fire the chief of police, the fire chief and a policeman were killed and a fireman was mortally injured. The three men who lost their lives were buried beneath the burning belfry when it fell.

The dead are:

J. A. McARTY, chief of police.

HUGH DUKIN, fire chief.

MATTHEW HAMILTON, policeman.

The injured man is Sidney Van Stone. The steeple, visible over a great radius, burned without hindrance, as the puny streams of water far below fell many feet short of the blaze. Showers of blazing embers fired the roof of the church, and McCarthy, Durkin and Hamilton, dragging hose, had scrambled upon a ladder to the roof when the belfry fell. The blaze ate its way into the building. The loss is about \$50,000.

Long Missing Verses of New Testament Are Translated

(From a Staff Correspondent.)

LONDON, May 13.—Some long missing verses of the New Testament are included in the manuscripts of the gospel discovered in Egypt six years ago and purchased by Charles L. Freer of Detroit, Mich., according to a study made of the text continues as follows:

A facsimile of the manuscripts has been presented to the British museum by the University of Michigan to which Mr. Freer assigned the task of publication and, according to the Times, there have been found in the gospel of St. Mark several verses which occur in no other known manuscript of the new testament, although there were known to St. Jerome, who quotes part of them.

In the Freer manuscript after the passage in which it is said that Jesus upbraided his disciples for their unbelief, the text continues as follows:

"And they excused themselves, saying that this age of lawlessness and unbelief is under Satan, who through the agency of unclean spirits suffers not the true power of God to be apprehended."

"For the cause they said unto Christ, reveal now at once thy 'Mightiness'."

"And Christ said unto them, the limit of the years of the power of Satan is (not) fulfilled but it draweth near (the text here as elsewhere is corrupt)."

"For the sake of those that have sinned was I given up unto death, that they may return unto the truth and sin no more, but may inherit the spiritual and incorruptible glory of righteousness in Heaven."

A large number of variations in other portions of the new testament are also pointed out by the Times in the Freer manuscripts.

MINERAL PATENT LANDED FOR COLORADO COMPANY

(From a Staff Correspondent.)

WASHINGTON, May 13.—(Special Telegram.)—After a period of more than five years, the Allen Park Power and Development company, of which Henry Rolfe of Omaha, is secretary and treasurer, has secured the issuance of a patent to its mineral claim near Allen Park, Colo.

The patent for the claim, which is said to have valuable gold and silver deposits, has been held up at various times by contestants living near it. Senator Hitchcock was today informed by the secretary of the interior that the necessary papers for the patent had been approved and sent to the Denver land office for issuance of final papers.

1 Full Quart Whiskey FREE Try It At Our Expense

There are all sorts of claims for superiority among distillers and Mail Order Whiskey houses, and while we feel sure that our Fels 3-Star Whiskey can't be beat, or even equaled in quality or price, still we are not going to ask anyone to risk their money on our judgment; therefore, we are going to give absolutely free, one full quart bottle of Fels 3-Star Whiskey to every customer who orders a case of Fels 3-Star Whiskey. We want you to add half water to it if you like, and we say that you will still have stronger and better whiskey than most Mail Order Houses sell at our price. Anyone can easily understand that should we just send out bottles of whiskey free that we would be flooded with requests by unscrupulous people and dealers and lay ourselves open to a fearful onslaught. This we cannot do, but nevertheless, the bottle is free to honest people.

Now here is our proposition:

We will send you one full quart bottle of Fels 3-Star Whiskey, absolutely free, along with your first order for a full quart bottle of Fels 3-Star Whiskey for \$1.00 and we pay the express charges. After you receive the 1 full quart bottle, open one of them, test it anyway you like and if not entirely satisfactory, you have the privilege of returning to us the bottle and the rest of the case and we will refund your \$1.00 without question or argument. With each order we give a free Gold-Tipped Glass and Patent Corkscrew. Remember, we say we pay the express charges look close before you permit some of the low prices of Mail Order Houses to get your order and make you pay the express charges.

We mean to prove superiority in the whiskey business; we mean to prove our expense, by giving a free test bottle, that Fels 3-Star Whiskey has equal taste and quality to the best of the country and not short and cheap. Our glass bottles are full 12-ounce quarts and not short and cheap. We guarantee every statement we make and back them with our full capital of \$400,000.00. If you want real whiskey and not weak, watery concoction, test our reputation on our free test proposition. The taste is the test, that will prove more than we can write.
